

IBERO-AMERICAN SYMPOSIUM ON PROJECT APPROACHES IN ENGINEERING EDUCATION

Creating Meaningful Learning Environments
1-2 July 2010

Polytechnic University of Catalonia
Barcelona

<http://paee.dps.uminho.pt>
paee@dps.uminho.pt

keynote speakers

Anette Kolmos - UNESCO Chair holder for PBL, President of SEFI in Engineering Education

Complex and collaborative knowledge
Why and how team work

University of Aalborg, Denmark

José Manuel Oliveira

Project-Based Learning at Águeda: our way of creating a meaningful learning environment

University of Aveiro, Portugal

Symposium chairs:

Natascha van Hattum-Janssen
Rui M. Lima
Dinis Carvalho

workshops

1. Project Team Work Simulation

Facilitator: Maria van der Blij

2. Project Approaches in Engineering Education: research in practice

Facilitators: Natascha van Hattum-Janssen, Sandra Fernandes and José Manuel Oliveira

3. The Team-based Approach of Project Coordination

Facilitators: Rui M. Lima and Dinis Carvalho
